While you wait for dinner, how about playing a few games!

Rock, Paper, Scissors

A family classic and an all time favourite!

Guess the Animal

An animal guessing game where the kids ask the questions and try to guess which animal you have picked!

Name the Movie or Book

Family members take turns reciting a line from a favourite children's book or film (that everyone at the table is familiar with) and others have to guess where it came from.

Two Truths and a Tale

Everyone takes turns sharing three things that happened in their day. Two are true and the third isn't. The rest of the family then has to decide which one is not true!

I'm Going on a Picnic

The classic memory game. You take turns going around the table adding items to the picnic basket and repeating all of the items that have already been added in the correct order. For example, "I'm going on a picnic and I am bringing an apple." "I'm going on a picnic and I am bringing an apple and a sandwich" etc.

Alphabet Game

Everyone goes around (in order) and names a word that starts with A, the next person with B, & so on.
